Old Joseph

Joseph's part in the Story of God's Story

The bible tells us that Joseph was a carpenter. He wasn't a rabbi or a wealthy man. He was just an ordinary man chosen for an extraordinary task. One of the most remarkable things about Joseph was his willingness to obey God's instructions, despite how strange or hard the requests were. Because he trusted the Lord, he was able to protect his family, fulfilling the prophecies of the Old Testament prophets.

How to Play
